Dear Parent(s)/Guardian(s);

RE: REGISTRATION FOR 2024-2025 EXTENDED FRENCH PROGRAM

Any student who is eligible to attend a Dufferin-Peel Catholic school and who is presently a Grade 4 student is invited to apply for the Extended French (EF) program for Grade 5 in September 2024. The Extended French program starts in Grade 5 with 50% of the program taught in French at the elementary level. The subjects taught in French are *French Language, Social Studies, Science*, and **one** of the following subjects: *Visual Art, Music, Drama or Physical Education*. This program offers an excellent opportunity for becoming functionally bilingual in later years.

The Dufferin-Peel Catholic District School Board currently offers the Extended French program at 11 school sites. Each Extended French Centre has specific feeder schools. Students must apply to the appropriate Extended French Centre, based on their home school location. A list of Extended French Centres and their feeder schools can be found on page 2-3 of this memo.

Transportation is provided for eligible students in the program if they attend the Extended French Centre within their designated boundary. Both transportation and Extended French Centre locations are subject to board annual review and therefore subject to change. Boundary maps can be found on the [DPCDSB Extended French Webpage](#) (under Regional Programs – Extended French – Boundary Maps).

More detailed information will be available during the **virtual EF information sessions for parent(s)/guardian(s)** which will be held according to the region of the Extended French school. We ask parents to attend only ONE virtual session as the information shared will be the same in both sessions.
